Lake Shelbyville Fish Cube Build Day

Lake Shelbyville – The U.S Army Corps of Engineers, Lake Shelbyville, and the Lake Shelbyville Fish Habitat Alliance is looking for volunteers to assist with the constructions of 50 fish cubes that will be placed in Lake Shelbyville for habitat structure. The build day will take place Saturday July 15th, beginning at 8 a.m. at Chips Marina located south of Sullivan and will last until all 50 cubes are assembled. Approximately 40 volunteers are needed to assist with construction and assembly of the cubes. If you are interested in volunteering please contact Natural Resource Specialist Lee Mitchell at (217) 774-3951 ext. 7012 or call Chip at (217) 728-2610.
